# Soloist

Any DFSC skater who has passed the Juvenile Freestyle test or a senior in high school as of the registration date may perform a solo. A skater who takes and passes the Juvenile test at the Northland test session may apply late and will be included. This form should not be sent until the test has been passed.

Cost: **The fee for a solo is \$15.**

Requirements: Soloists are responsible for their own programs, costumes, and coaching. A soloist may use a program that he/she already has or choose his/her own music. Please check your music with Heather. This is to make sure the music goes with the show theme and is not duplicated in the show. Heather will need a copy of the music by March 28 to include it in the master copy of the show. All music may not exceed 2 minutes.

Practice Ice: All skaters should practice their programs during club time. There will be no extra ice available for solo practice. The soloists will be given warm-up ice the day of the ice show during show set up.

Warning: A skater may only do a solo if he/she also participates in a group number. There will be special consideration for adults wanting to participate in a solo. This is due to the limited number of adult participants.

**Registration Must Be Received By March 12, 2022.**

Please pay at [duluthfsc.org](http://duluthfsc.org) website.

There may be a small costume fee after sign-up. These dates and times are subject to ice availability and may change. Parents will sign a parent participation waiver at the time of the first practice.

Fee: \$25 per couple. This will include ice time and coaching fee.
