

2023 Show Club Information “Fun and Games at the Fair”

Participants: The cost is \$125 and \$105 for each additional family member. There will be one show this year. This fee includes the costume, ice time, coaching, 2 tickets to the show, and streaming access. People who would like to pay in installments may pay \$50 now and the remainder before the first practice and pay by using our website. The groups will be determined according to test level. Each level will have a group and small groups will be combined. If it becomes necessary to separate a large group into smaller groups, it will be done according to age and skating ability and will be determined by the ice show director and coaches. Academy members will be placed in Club or Learn to Skate groups based on coach recommendations based on the above criteria. All of these guidelines may need to be adjusted as needed depending on registration numbers and levels. There will be a \$10 late fee for any applications received after the costumes are ordered. There will be a \$10 re-ordering fee for costumes that do not fit.

Dates: Ice Show on Sunday, April 2nd at 2:00 pm. There will be a dress rehearsal on Saturday, April 1st. **The registration deadline is January 29th.**

Absences: Please speak with your group coach if you do have to miss the practices and remember that group work is best done when the whole group is present. If there is an absence you will be responsible for informing the coach of that group and attending a make-up lesson if needed at the coaches' private lesson rate.

Costumes: The costume is included in the registration fee. Costumes will be distributed as they are received. Tights are not included. You will be responsible for purchasing tights and any other small props and accessories.

Costume Measurements: The most important measurement is the girth measurement. Measure girth from the center of the right shoulder, through the crotch, and back to the starting point. Hold the tape loosely. It is always best to order a bigger size to accommodate growth. Please include all measurements. This chart is a sample and may not be the exact chart in costume ordered.

Soloist

Any DFSC skater who has passed the Juvenile Freestyle test. Special considerations for high school seniors and MN State Champions may be allowed to perform a solo. A skater who takes and passes the Juvenile test up until the show date may apply late and will be included. This form should not be sent until the test has been passed. Skaters who qualify may also choose to do a duo in lieu of a solo with another qualifying partner.

Cost: The fee for a solo is \$15.

Requirements: Soloists are responsible for their own programs, costumes, and coaching. A soloist may use a program that he/she already has or choose his/her own music. Please check your music with Heather. This is to make sure the music goes with the show theme and is not duplicated in the show. Heather will need a copy of the music by March 20 to include it in the master copy of the show. All music may not exceed 2 minutes.

Practice Ice: All skaters should practice their programs during club time. There will be no extra ice available for solo practice. The soloists will be given warm-up ice the day of the ice show during the show setup.

Warning: Registration Must Be Received By March 12, 2022.

Please pay at the duluthfsc.org website.
